

Range of services and general terms and conditions for spatial/room energetics/ radiesthesia/ removal of interference fields/ cleaning/ clearing

Does your house or apartment not sell or rent for "inexplicable reasons"? Do you feel the effects of old or foreign energies in other ways in your life: as chronic tiredness, lack of joy in life, unsatisfactory life situations in partnership, profession, finances? Do you sleep badly or restlessly?

Space-Energy-Clearing brings upliftment to your business and private life. Make an appointment now for your individual "Room-Energy Check Up".

The following costs/travel expenses etc. are due for payment immediately after the end of the service (keep in mind that energetic work only becomes completely effective after energy clearing has taken place)! You will always receive an invoice for the total amount (including travel expenses etc.). The subject of the contract is analysis, consultation and other services based on empirical principles of the teachings of Feng Shui, geomancy and / or radiesthesia. The services include recommendations/ suggestions for improvement for positive room/ building design, are not to be understood as a healing method or form of therapy and do not replace such. It is at the discretion of the client to make use of the advice. A promise of success is not connected with it. This also applies to recommendations for the use of certain Feng Shui items. The contractor undertakes to carry out the consultation to the best of his knowledge and belief according to the rules of traditional Feng Shui/ geomancy/ radiesthesia. I have paid the fee of my own free will and expressly declare that I consider the amount of the same to be reasonable. Accordingly, I expressly waive the right to a full or even partial refund of the fees paid by me, and accordingly I waive the right to contest the present contract on the grounds of shortening it by more than half of its true value, since the application of the energetic methods of work is my special preference. Unattended appointments that have not been canceled at least 24 hours in advance are to be paid, possible cancellation fees and / or costs for tickets etc. are to be paid!
